I would like diapers and  
also veggies and fruits. That  
will really help out some  
families because diapers cost  
a lot of money so that's the  
reason why it will help families  
out. My family likes veggies  
and fruits a lot so that's the  
reason why I would like that  
on my checks.

I think having more fruits  
and veggies added to the program  
would be a great idea.  
It would help us teach our  
children eat more of the  
fruits and veggies to grow  
healthy and strong.
